Hardcover with foam / 32 pages / 24 x 28 cm / €13.95

Apolline's Day

1, 2, 3... Snacks!

By Christopher Evans

New

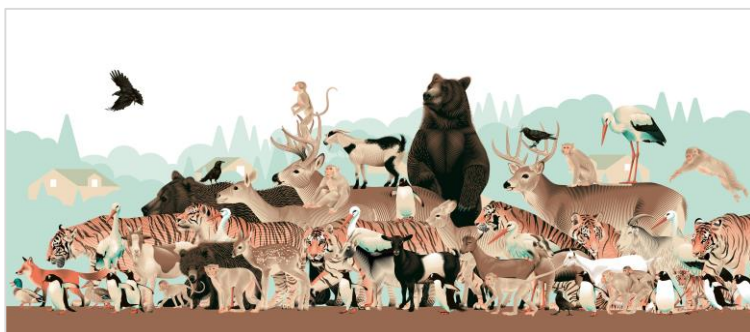

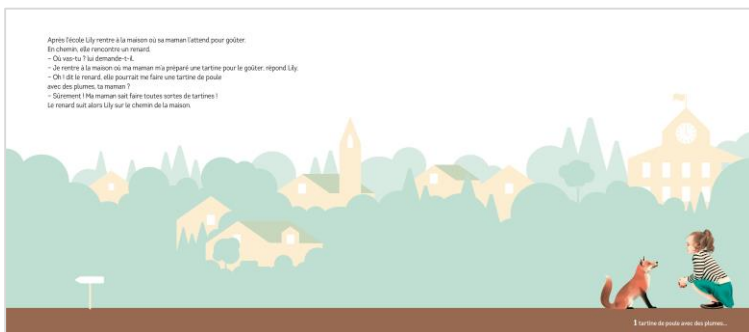

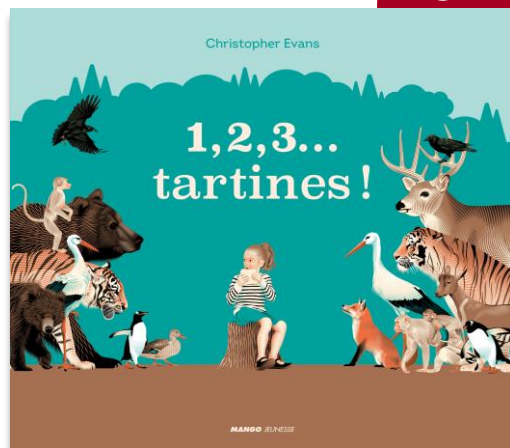

After school, Lily is going home, eager to have a little snack. On her way, she crosses one fox, two ducks, three bears... up to 10 penguins, asking for tasty snacks too. The kid will count, remember each snack and find out all the animals on the last double-page, highlighting Christopher Evans' unique style.

Hardcover / 32 pages / 27 x 23.5 cm / €14.50

From 3 onwards

Publication: May 2020

Christopher Evans was born in Connecticut and graduated in Arts at the Cooper Union (New York). He currently lives in Paris where he works as a graphic designer and illustrator for press and publishing. He is famous for his original style and his atypical technique, giving life to immersive and detailed drawings.

In the Sea, There Are...

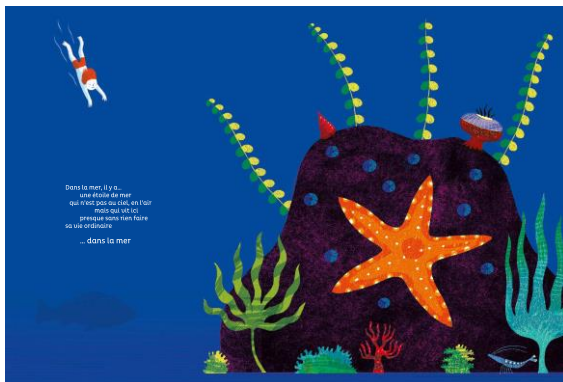

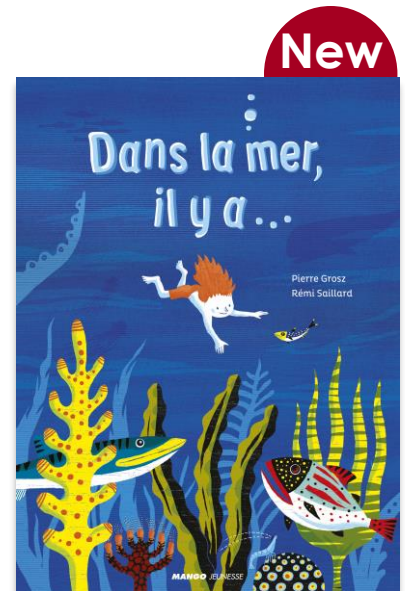

By Pierre Grosz & Rémi Saillard

A poetic story to discover the beauty of the sea, its inhabitants and hidden treasures thanks to Rémi Saillard's colorful illustrations. Through this amazing journey, the child will also discover how we damage our oceans.

Hardcover / 40 pages / 27 x 33.5 cm / €16.50

From 3 onwards

Publication: October 2020

When It Rains

By Pierre Grosz & Rémi Saillard

Smoothly rocked by the sound of rain, a little boy listens to a beautiful story told by his mother about amazing lands where rain is also falling or where everyone is waiting for it. A poetic picture book by two renowned authors.

Hardcover / 32 pages / 24 x 32 cm / €14.50

From 3 onwards

Publication: February 2016

Rights sold: Complex Chinese, Korean

After studying literature, **Pierre Grosz** followed his true passion: songwriting before writing children books fueled by his musical knowledge.

Rémi Saillard majored in Decorative Arts and has a prolific illustration career in children's books and newspapers.

Daddys' Expecting Baby

By Frédéric Loew & Barroux

Knock, knock. It's me, your Daddy! You're here, so small in the sweet cozy nest of your mother's tummy. Do you hear me, Baby?

A very tender and beautiful picture book telling about expecting a baby from the father's point of view.

Hardcover/ 64 pages / 22 x 22 cm / €14.50

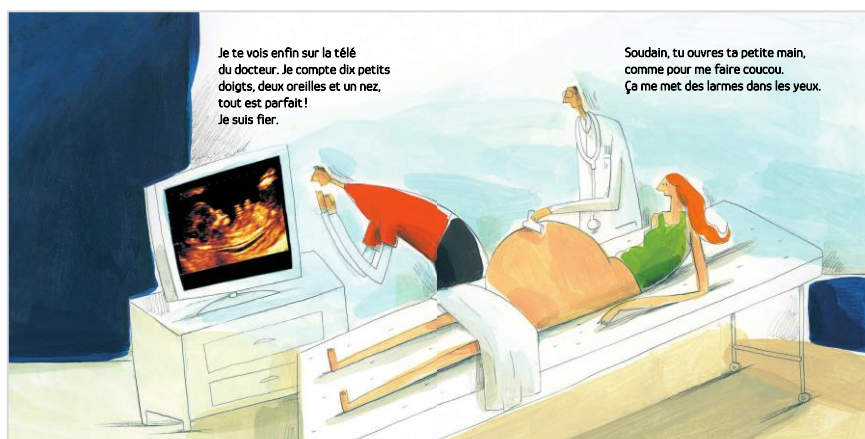

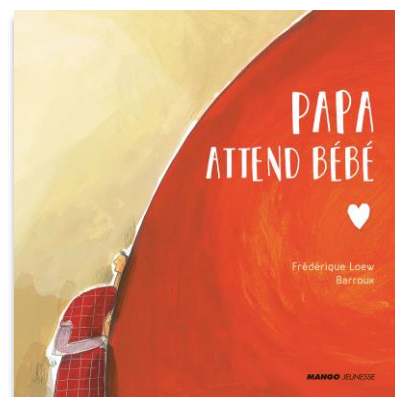

From 3 onwards

Publication: May 2020

Rights sold: Italian, Korean

Frédéric Loew travelled a lot, published her travelogues and wrote documentaries scripts for television. Then she decided to take up a new challenge: write children's books mainly devoted to pets, travel or family.

Barroux worked as an Art Director in Paris, Montreal and New York, and as a press illustrator for numerous papers. His illustrations use linocut, acrylic painting, lead pencil, and collage.

Around the World series

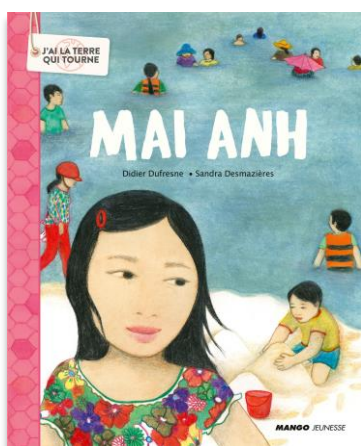

A new series of picture books discovering children around the world. Talking about their everyday lives, each story is also a way to be immersed in a new imaginary world, inspired by each culture.

Hardcover / 32 pages / 19.5 x 24 cm / €9.50

From 4 onwards

Publication: March 2020

Didier Dufresne was a school teacher and wrote stories for his pupils. Since then, he has written around 30 books for children and has dedicated himself to writing and leading writing workshops.

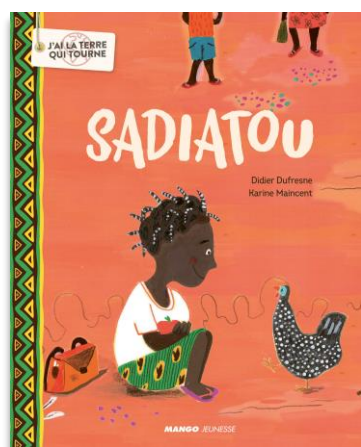

Mai-Anh

By Didier Dufresne & Sandra Desmazières

Mai Anh lives in Vietnam, she likes to go to the beach to build sand castles. Alas, every night, they disappear, as in the story Mr. Pham tells her while drawing on the sand...

A wonderful story of friendship and beautiful encounters.

Sandra Desmazières is a graduate of the Decorative Arts School in Paris. She has been directing animated films since 1999 and illustrating with a tender eye picture books which, thanks to her Vietnamese origins, deliver soft and warm images.

Sadiatou

By Didier Dufresne & Karine Maincent

Sadiatou lives in Burkina Faso. Every day, she goes to school on her big brother's bike. One day, she comes back with a guinea fowl offered by the school principal. But her daddy is decided to eat it! Fortunately, her grand-father will help her to find a solution to keep her new friend...

Karine Maincent is a traveler who has lived in Benin. Her illustrations are fueled by all the colors of her travels, in a concentrate of vitamins, energy and good humor.

A Funny Face

By Kiko

Archibald the cat tells the story of his scientist owner who one day accidentally drank a mixture of chemicals that turned his human face furry and green! The scientist feels self-conscious about his funny appearance and worries what others will think... until he meets a school teacher who accepts him the way he is. An adorable story about difference and acceptance.

Hardcover / 32 pages / 21.5 x 28.5 cm / €14.50

From 3 onwards

Publication: May 2018

Rights sold: Korean, Portuguese Spanish (and Catalan)

Kiko is 42 years old and he lives in Paris, where he draws for kids and grown-ups. *A Funny Face* is his first picture book as both author and illustrator.

The Wolf Who Ate Anything

By Christophe Donner & Manu Larcenet

A starving wolf leaves the comfort of his den to satisfy his grumbling stomach. The hungry creature eats everything he can find on his way, unaware that he is taking on the worst flaws of his victims: noisy burps of a sheep, foul flatulence of a pig... But who has created such a wolf? One of the most famous French illustrators meets one of our greatest authors for a funny picture book!

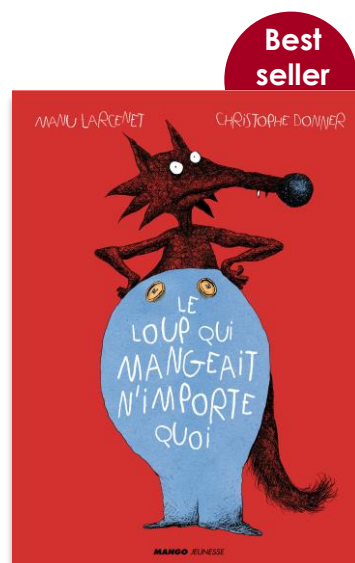

Hardcover / 32 pages / 24 x 33 cm / €14.50

From 5 onwards

Publication: September 2013

Rights sold: Korean

Writer, journalist, and film director, **Christophe Donner** has published more than 25 children's books. Author and illustrator of comics, **Manu Larcenet** already illustrated more than 65 books translated in several languages.

To the Edge of the World, Without Falling

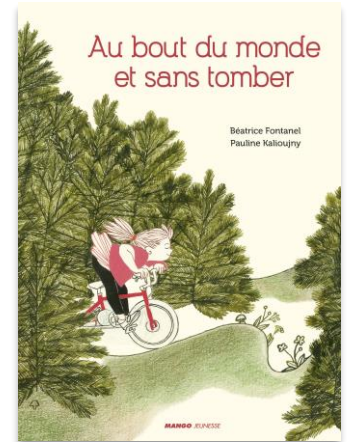

By Béatrice Fontanel & Pauline Kalioujny

Not so easy to ride a bike without training wheels... Well Suzanne is not afraid, she falls a lot, but nothing will stop her, she likes so much to ride in the wind and feels free! When she grows up, she will make a huge trip to discover the beauty of the world.

Hardcover / 64 pages / 18 x 24.5 cm / €13.50

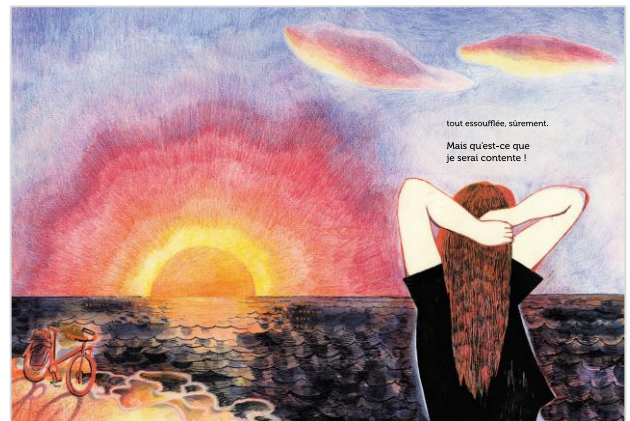

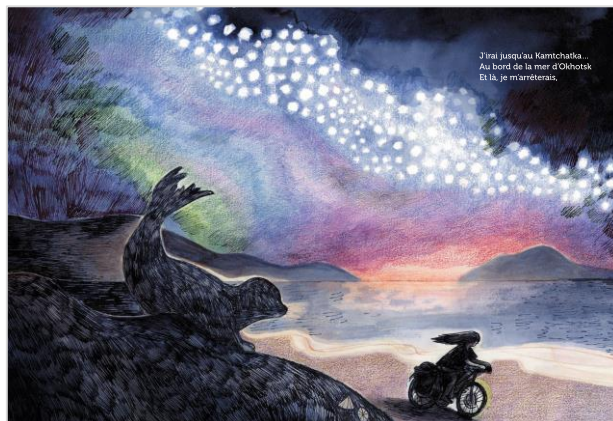

From 5 onwards

Publication: January 2020

Béatrice Fontanel is passionate about popularizing sciences and iconography. She has written many reference books for children and adults, as well as wonderful picture books.

Pauline Kalioujny is a visual artist and author of picture books. Through books, and with a vivacious energy, she likes to work on the links between Man and Nature, words and images, and the symbolism of colors.

Life in Neon Green

By Coline Pierré & Gilles Freluche

Nothing has been the same since the opening of a new recycling plant "D-Stroy Everything". A mysterious green smoke, weird green drinks, five-legged animals... is this plant as green as pretended? Three young friends will have to solve this mystery...

Hardcover/ 64 pages / 21.2 x 27.5 cm / €14.50

From 6 onwards

Publication: January 2020

Rights sold: Korean

Coline Pierré writes stories for children and adults, leads musical and illustrated readings with other artists, learns to tap dance, sings, plays the Theremin, horn, sound blade, pen, piano and guitar.

Gilles Freluche has always liked to discover and travel: after living in different foreign countries, he came back to France and has been divided his time between graphic design and illustration.

Little White Toothpaste

By Arnaud Tiercelin & Marion Piffaretti

Arthur gets stressed before his first school trip... Leaving his mum, sleeping in an unknown place, everything is new! But soon, a hide-and-seek game and Margot's smile will change everything! A light-hearted story for children to enjoy their first taste of independence.

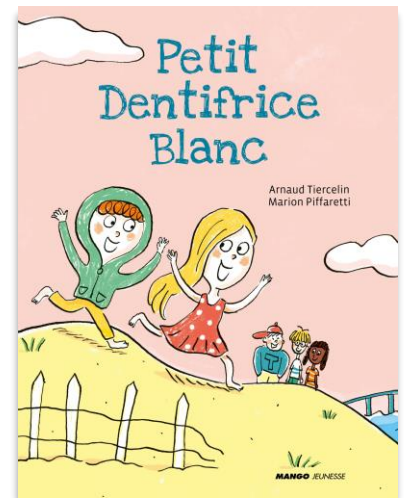

Hardcover / 64 pages / 21.2 x 27.5 cm / €14.50

From 5 onwards

Publication: March 2020

Arnaud Tiercelin divides his time between teaching in elementary school and writing books for young people. He has published about twenty books: picture books, novels, poetry, short stories...

Marion Piffaretti studied illustration at the Émile Cohl school. She works for the press and children's publishing and lives in Paris.

The Moon Catcher

By Séverine Vidal & Barroux

A funny grandfather tells his grandson his dream-like adventures as the inventor of perfectly round hen eggs, a volcano cooler and a Moon catcher. A beautiful picture book about cross-generational transmission and the work of imagination.

Hardcover / 32 pages / 24 x 31 cm / €14.50

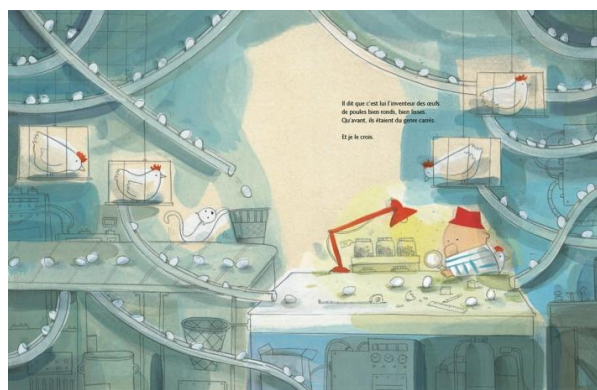

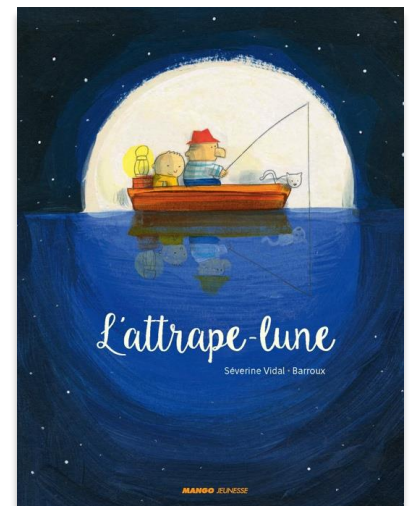

From 3 onwards

Publication: May 2016

Rights sold: German, Italian, Korean

Séverine Vidal studied literature before becoming a teacher. She started to write stories for children alongside her day job. Since 2011, she has been completely devoted to writing.

Barroux worked as an Art Director in Paris, Montreal and New York, and as a press illustrator for numerous papers. His illustrations for children's books, use linocut, acrylic painting, lead pencil, and collage.

The Birdcat

By Rémi Courgeon

What is this strange animal, half a cat, half a bird? In the forest, no animal can understand him, he remains excluded, doing the work left by the others. He decides to escape and begins a long journey. One day, he meets a cow able to speak his language...

A moving story on difference, exclusion and friendship, highlighted by Rémi Courgeon's unique style.

Hardcover / 32 pages / 24 x 33 cm / €14.50

From 6 onwards

Publication: May 2014

Rights sold: Korean, Complex Chinese

The Birdcat's Hidden Son

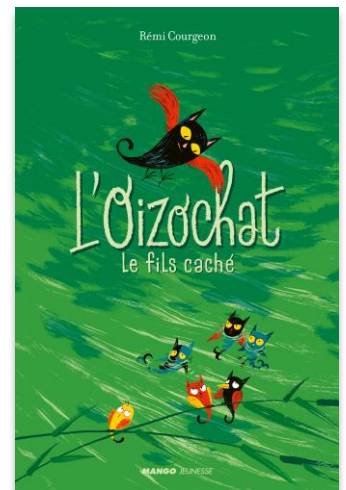

By Rémi Courgeon

The Birdcat is happily married with a lady Fishcat and father of 6 mixed-breed children... until his long-lost son reappears. The joy of reunion is soon followed by the jealousy of his brothers and sisters. Rémi Courgeon raises with sensitivity the topic of the differences among siblings and the difficulty to welcome and accept a half-sibling.

Hardcover / 32 pages / 21.5 x 33 cm / €14.50

From 6 onwards

Publication: October 2017

Invisible But True

By Rémi Courgeon

A story of the friendship between a little boy dreaming to be invisible and a blind man for whom he really is so.

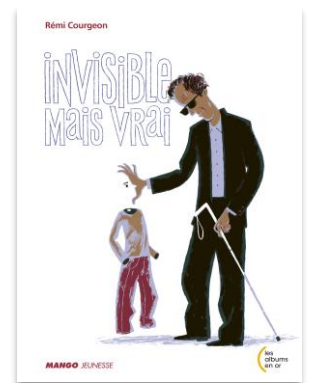

Hardcover / 32 pages / 16.5 x 22 cm / €7.00

From 6 onwards

Publication: January 2019 (3rd edition)

Rights sold: Korean

Rémi Courgeon is a wizard of words and images. He has written more than 20 picture books. Also a painter and a reporter, he traveled with Doctors Without Borders to testify of the conditions of the inhabitants with his pencils and paintbrushes. He has 3 children and lives in Paris.

Illustrated Novels series

Imagined as a bridge between picture books and novels, this is the ideal series for first readers!

Hardcover / 64 pages / 17 x 22.2 cm / €12.95

From 6 onwards

The Cherry On The Cake

By Gaia Guasti & Clémence Pénicaud

Jo's little sister doesn't like to eat. So Jo decides to cook the best cake in the world for her birthday and asks his neighbors for help to gather the most delicious ingredients. A heartwarming story about sharing.

Rights sold: Korean

Gaia Guasti is an Italian scriptwriter who also writes books in French and in Italian.

Clémence Pénicaud is an illustrator who makes tender and funny drawings. She already illustrated several children books.

Our Own Snow

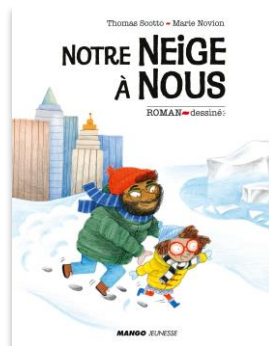

By Thomas Scotto & Marie Novion

Today, Cerise meets up with her dad for a snowy walk in the streets and the park of New York.

A sweet story about the strong bond between a father and his daughter, after a divorce.

Thomas Scotto is a famous writer, who wrote several internationally recognized books for adults and children alike.

Marie Novion is an illustrator of children books and children comics.

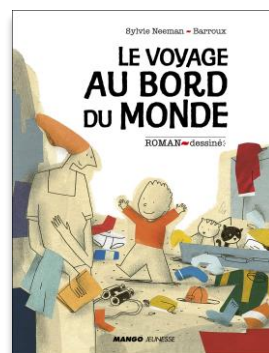

A Journey to the World's Edge

By Sylvie Neeman & Barroux

Sami and his mother are travelling. What a great adventure to discover the world with eyes wide open!

Sylvie Neeman loves writing stories about exotic journeys, maybe because she grew up in Switzerland, a small country!

Barroux worked as a press illustrator. His illustrations use linocut, acrylic painting, lead pencil, and collage.

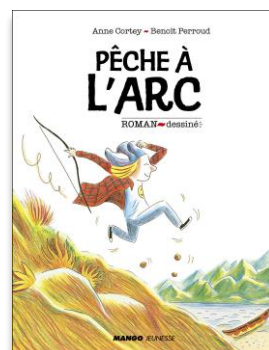

Fishing with A Bow

By Anne Cortey & Benoît Perroud

Someone has taken Tomi's bow... he decides to bring it back, crossing the colorful forest to the lake with his dog. A sweet story about friendship and first love.

Passionate about books since her childhood, **Anne Cortey** has already written almost 30 titles!

Benoît Perroud's illustrations have featured in numerous popular children's books.

Big Bang Boy series

By Capucine Dewalle & Benoît Perroud

Big Bang Boy is a 7 year-old boy, passionate about astronomy, dreaming of going into space. Waiting to be old enough to make his dream come true, he trains himself to be a good astronaut.

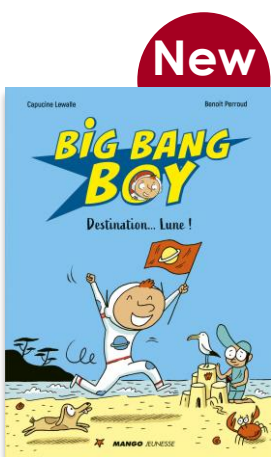

At the park, in holydays or even at the market, he always wear his costume, ready to live intersidereal adventures!

Softcover with flaps / 80 pages / 15 x 21 cm / €9.95

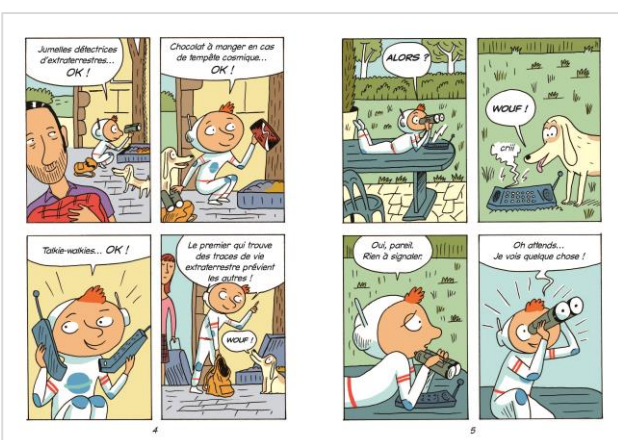

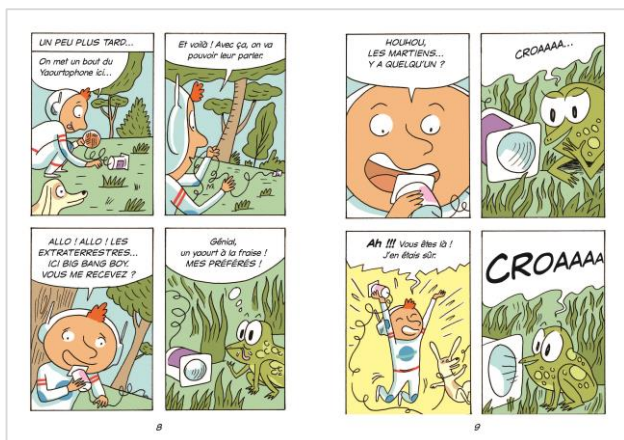

From 6 onwards

Capucine Dewalle started a career as a scriptwriter after working for more than 10 years for an advertising agency. She has since participated in the writing of several comedy series. At the same time, she has written several humorous books for children.

Benoît Perroud has been an author and illustrator since 2001. He writes and draws comic books as well as picture books. But he also devotes a lot of his time to painting on canvas, silkscreen printing and linocutting.

To The Moon!

In the Farm

By Dominique Ehrhard & Anne-Florence Lemasso,

A beautiful book with 7 double-pages in pop-up to discover the farm animals. The children count 1 rooster, 2 horses up to 10 young chicks and the final double-page gathering all the animals and the farmers!

Hardcover/ 14 pages / 21.2 x 29.2 cm / €24.50

From 3 onwards

Publication: November 2020

Dominique Ehrhard is a game designer and fine arts teacher, passionate about paper, pop-ups and architecture.

Anne-Florence Lemasson is a high school teacher and likes to mix her talent for writing with Dominique's illustrations.

Early-Learning Pop-Up series

By Claire Zucchelli-Romer

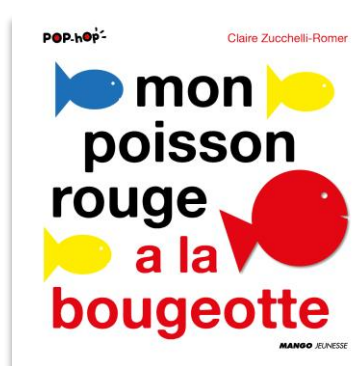

A clever series of stunning movable boardbooks giving life to little characters as lively introductions for toddlers to basic concepts (colors, directions, shapes, ...).

Boardbook / 16 pages / 16.5 x 16.5 cm / €13.50

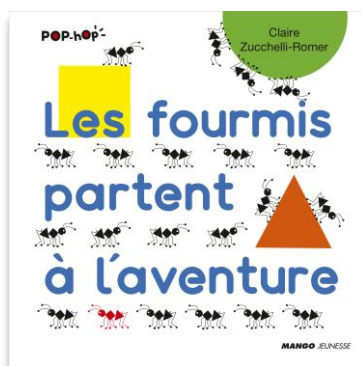

From 3 onwards

Rights sold: Italian, Simplified Chinese

Claire Zucchelli-Romer grew up in a family of artists. She is passionate about books and particularly pop-ups. As well as creating books, she also designs animations and other visual arts objects.

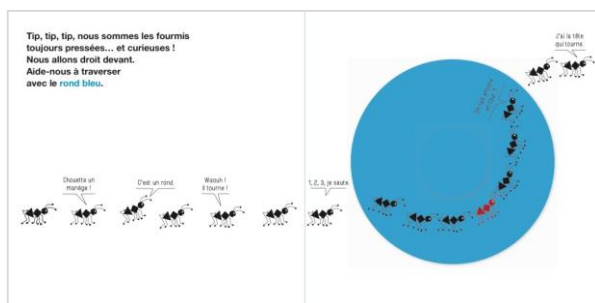

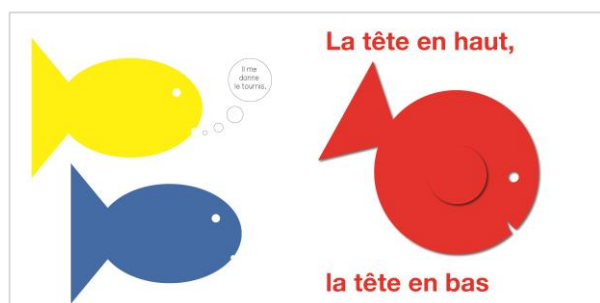

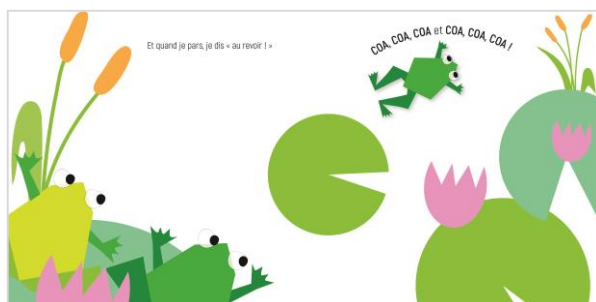

My Gold Fish is Restless

The Ants' Adventure

The Chatty Frog

Nina and Nuno

By François Chetcuti

A colorful and sophisticated book made up of 10 scenes of 3D laser-cut pages. Two kids go for a walk in the forest and meet a giant man looking after the trees, ferns, and flowers of the glades. An adorable tale with a pared-down style and three vibrant colors that glow set against the background of the starry night sky.

Hardcover / 10 double-spreads / 16 x 22 cm / €18.50

From 3 onwards

Publication: October 2019

François Chetcuti first studied sculpture in Paris, before moving on to ceramics and projects using recycled material and robots. He has worked as an illustrator for several publishers in France. Today he lives near Lille with his wife where he enjoys a simple and eco-friendly lifestyle. He also runs art workshops in schools.

Between Cats

By Claire Zucchelli-Romer & Amandine Delaunay

An adorable two-color picture book telling the story of a black cat and a white cat playing with a piece of string crossing through every page. This unique story, with very simple words, will introduce children to the ideas of difference and relationships with others.

Boardbook / 20 pages / 26.5 x 14 cm / €14.50

From 3 onwards

Publication: October 2018

Rights sold: Simplified Chinese

Claire Zucchelli-Romer grew up in a family of artists. She is passionate about books and particularly pop-ups. As well as creating books, she also designs animations and other visual arts objects.

Amandine Delaunay is an artistic director and freelance illustrator. She takes her inspiration from traditional engraving techniques and creates most of her images by hand, using mainly black and white.

It Snowed This Morning!

By Steffie Brocoli

A delicate album presenting the dazzling first snowfalls, in the silence of dawn. On each double page, the child discovers the footprints of a different colorful animal, hidden behind a flap.

Hardcover / 18 pages / 31.5 x 21 cm / €19.50

From 3 onwards

Publication: October 2018 (2nd edition)

Rights sold: Japanese, Korean, Simplified Chinese, Italian

Steffie Brocoli lives and works in Paris. She graduated in Arts, Crafts and Engraving from the Ecole Estienne. As a young author, Steffie produces illustrations for children books and many other things like pottery, sewing, screen-printing and engraving!

A Stroll with Lady Forest

By Steffie Brocoli & Catherine Bidet

This original and poetic tale takes children on a stroll in the heart of the forest, unveiling all the secrets of its inhabitants. On some pages, children can choose their favorite paths; on others, they can follow the instructions in relation to the adventure to go to the next stop. Both informative and interactive, the story is highlighted by the unique style of Steffie Brocoli.

Hardcover / 36 pages, with cut tabs / 24 x 30.5 cm / €16.95

From 4 onwards

Publication: September 2015

Rights sold: English, Korean, Simplified Chinese

Steffie Brocoli lives and works in Paris. She graduated in Arts, Crafts and Engraving from the Ecole Estienne. As a young author, Steffie illustrates children books and many other things like pottery, sewing, screen-printing and engraving! She imagined this title together with her mother, **Catherine Bidet**.
